## **GENERAL SALE INFORMATION**

Auctioneer – Marshal Tingle  
Sale Agent - Paris Stockyard

### ***Buyers and Visitors,***

***We are pleased to welcome you to our thirty-fourth annual Bred Heifer Sale. The Elite Heifer Program is a source of great pride in Bourbon County, and one in which we have invested much time and hard work. Thank you for your interest in this Elite set of heifers and the management they represent.***

***In the sale you will have the opportunity to purchase heifers that have gone through the most rigorous screening program in our state. They have been managed and selected to reduce the risk involved in bringing heifers into production. The fact that the heifers pelvic measured to a standard of 160 sq. cm. at 12-14 months of age and passed weight guidelines and visual screening and are bred to calving ease sires gives you the buyer, a great chance of counting on these heifers being in your herd for many years. All heifers are source verified and have been on the consignor's farm since December 15, 2023.***

***We thank you for your interest in the Elite Heifer Sale® and program. If we can be of any assistance to you, please feel free to contact us through the Bourbon County Cooperative Extension Office.***

***Elite Heifer Consignors***

## SALE PROCEDURE

Heifers will be sold in uniform lots sorted according to breed type, size, and calving dates. Heifers become the property of the purchaser immediately after sale. Each animal will be at the purchaser's risk as soon as sold. The sale agent will aid in the loading of the cattle on instructions from the buyer, but at the buyer's risk. No cattle will be loaded until the conclusion of the sale. All fees will be collected by Paris Stockyard.

## GUARANTEE

All heifers are guaranteed bred and are guaranteed to remain pregnant for **60 days** after the sale. Any heifers found open (by an accredited veterinarian) will be refunded by the consignor. All guarantees are made by the consignor of the cattle and not the sale committee or the Bourbon County Livestock Improvement Association. You may have a licensed veterinarian palpate your purchased Elite heifers on your farm *prior to January 1, 2025* and upon receipt of certification from a licensed veterinarian confirming palpation you will be refunded \$5.00/head by the Elite Heifer Sale. Any open heifers will be guaranteed by the individual consignors. *There will be NO pregnancy guarantees after January 1, 2025.* Remit certification to: Bourbon County Extension Office, 603 Millersburg Road, Paris, KY 40361.

## TRANSPORTATION AND OVERNIGHT CARE

If you purchase 10 head or more, you are entitled to free delivery to your farm within 500 miles of Paris Stockyard, Paris, Ky. The Elite Heifer Sale committee reserves the right to transport the heifers by the most economical means possible. The Elite Heifer sale assumes no liability in transportation. Any cattle that need to remain on premises overnight will be cared for. For buyers that purchase less than 10 head, we will assist in arranging transportation of your cattle. **Buyers must notify the Elite Heifer Sale committee at the conclusion of the sale, with delivery instructions.**

## C.A.I.P. COST-SHARE FOR HEIFERS

Elite Bred Heifers are eligible for cost-share under the Kentucky County Agriculture Investment Program. Affidavits to qualify buyers that are approved under a county C.A.I.P. program will be available after the sale.

### **ALL HEIFERS ARE HOME RAISED OR SOURCE VERIFIED**

**NOTICE TO ALL BUYERS** All heifers in this sale have been brucellosis calf-hood vaccinated between 4 and 10 months of age. Health papers necessary for transportation will be available on all heifers after the sale.

## HEALTH REQUIREMENTS FOR HEIFERS IN 2024 FALL BRED HEIFER SALE

### **FALL 2023:**

- \*\*All heifers must be calf-hood vaccinated between 4 and 10 months of age for Brucellosis
- \*\*Heifers must be vaccinated against IBR, BVD, PI3, BRSV, Histophilus somni (formerly Haemophilus somnus) and Clostridial (7-way recommended)
- \*\*No growth implants of any kind will be allowed
- \*\*Heifers must be dewormed using a product to control all stages of the internal parasite life cycle
- \*\*External parasites must be controlled
- \*\*Heat may not be suppressed for extended periods of time, MGA is used for heat synchronization only

### **SPRING 2024:**

- \*\*Heifers are weighed and pelvic measured to MARC standards - English breeds must weigh 600 lbs and Continental breeds must weigh 700 lbs.
- \*\*Heifers reproductive tracts are evaluated, and pelvic measurements must be greater than 160 sq. cm.
- \*\*Heifers are vaccinated for protection against IBR, PI3, BVD, BRSV, Vibriosis, Leptospirosis (Bovi Shield 5FPVL5)
- \*\*Heifers are dewormed and treated for external parasites

## FALL 2024:

- \*\*Heifers must be pregnancy examined to determine breeding dates by licensed veterinarian (Confirmation of AI pregnancy or natural service)
- \*\*Heifers are treated to control external and internal parasites (Pour-on)
- \*\*Heifers are once again vaccinated for IBR, PI3, BVD, BRSV & Lepto 5 (Bovi Shield 5FPL5)
- \*\*Heifers are inspected by Kentucky Department of Agriculture Graders to eliminate shorts scarred eyes, rat tails, light muscled heifers and disorderly dispositions
- \*\*Heifers have tested negative for BVD PI by ear notch sampling
- \*\*18-month-old heifers must have a pelvic measurement of 200 sq. cm or greater

In addition to the above health requirements, heifers must be bred to calving ease bulls.
